

**MPV 2021 Submission Regulations
INDUSTRY SCREENING PLATFORM
GUIDELINES**

Deadline: mid-March 2021

General Aspects

Submission for the Industry Screening Platform is open to upcoming Lithuanian projects that have also been submitted for the 2021 Coming Soon session or previous edition of Meeting Point – Vilnius.

Please note: the **deadline** to submit a project for the Industry Screening Platform is set **for mid-March 2021**.

Incomplete applications will not be taken into consideration.
Application materials and subtitles should be in English.
The selection committee's decisions cannot be appealed.

Eligibility criteria for the Industry Screening Platform:

- **Feature films, documentaries or animated feature** films may apply;
- Films must have **scheduled or possible premiere in 2021 or early 2022**;
- **It is possible to apply with: final cut of the film, rough cut of the film, film excerpt.**

Submission

All applications must include the complete online application form.

If you intend to apply for the **Coming Soon 2021 session and Industry Screening Platform 2021**, you need to fill out the online form **following this link**.

If you only intend to apply for the Industry Screening Platform, you need to fill out the online form **following this link**.

SELECTION

An international selection committee will evaluate the artistic value of the projects, their market potential, and the benefit of an industry screening at the current stage of the project.

Approx. 5 films will be selected for the Industry Screening Platform.

Selection results will be announced at the end of March 2021.
